

REMARKS

In the Amendment dated October 21, 2004, Applicants attached a Declaration of Mr. Hansen as part of the papers filed by the assignee of the Hartley patents in a lawsuit in which the assignee of this application currently is involved, and in which the Hartley assignee makes arguments regarding the priority of the Hartley patents. Upon further review of the file, Applicants have noted that the Exhibits to the Declaration inadvertently were omitted. Accordingly, Applicants enclose the Exhibits herewith to complete the record.

Respectfully submitted,

Alan B. Clement
